

## Now Enrolling for Summer 2018

### Summer STEM

Our STEM Program, instructed by our academic coaches, includes STEM lessons that use hands-on activities focused on fun, real world experiences. Through hands-on activities and STEM challenges, children will think, construct, experiment, discover and develop the desire to learn lots more! Every week, they'll learn something new and explore a different kind of fun!

### Finals Readiness

As you know Spring finals are fast approaching. Is your student stressed about remembering material from the whole school year? Want a little more help preparing for that final exam or essay? Let our academic coaches relieve your stress by helping you prepare for all of your final exams! We can assist students in a variety of subjects.

### Homework Lab

We're now enrolling for our homework lab. All students are welcome to attend this lab. This lab provides a safe and quiet place for students to complete assignments and get any help needed from our academic coach. Hmwk labs are held every M/W at 4:00PM; Appointment is required! To schedule your appointment or inquire more details contact Jared or Jennifer at 951-719-3955

**GRAB A CUP OF  
COFFEE ON US!**

The first 5 people to write a positive review on our facebook page will receive a \$10 Starbucks gift card!

### Summer In Spanish

Our 'Summer in Spanish' course introduces middle school and high school students to the language in a fun and friendly environment. Teens will learn basic words, common phrases and beginner conversation with the use of creative instruction and activities. This course is especially designed to stimulate their development of a second language.

### Summer Bridge

Reinforce your child's academic development while away from school. This program lets your child practice the skills from their current school year and get a head start on their next grade level. Daily activities include reading, writing, mathematics, and language arts with bonus activities in core subjects like geography, science, or history.

### SAT/ACT Prep Classes

With college applications drawing closer, many students are working on improving their test scores. Competitive scores on the SAT and/or ACT improve chances of college acceptance, as well as offering opportunities of scholarships and grants. Our instructors customize instruction to maximize scores in problem areas, building strategies to help students succeed. Don't get stumped, call and register today!
