

Now Enrolling for Summer 2018

— *Enroll Now* —

Summer Day Camp

This program provides a stimulating, safe environment for school-age children to accelerate their skills as learners with enrichment activities, games and supervised small groups. Instruction will include: STEAM, Reading, Writing, History and more. You can choose to pay per day or per week. Camp will be held Monday-Friday 9:00am-1:00pm. Snacks are included!

Summer Bridge

Reinforce your child's academic development while away from school. This program lets your child practice the skills from their current school year and get a head start on their next grade level. Daily activities include reading, writing, mathematics, and language arts with bonus activities in core subjects like geography, science, or history.

SAT Prep Classes

It's not just about knowing what's on the test; it's about knowing how to take the test. Our experienced instructors will help you identify and excel at the most common type questions on the exam. They will share the proven strategies that will help you tackle the SAT like a pro. Contact us for start dates, times, and pricing! **7 Hour SAT/ACT Boot Camps are also available**

Summer In Spanish

Our 'Summer in Spanish' course introduces middle school and high school students to the language in a fun and friendly environment. Teens will learn basic words, common phrases and beginner conversation with the use of creative instruction and activities. This course is especially designed to stimulate their development of a second language. Classes will be held M/W 1:30pm-2:30pm or T/Th 1:30pm-2:30pm

Summer STEM

Our STEM Program, instructed by our academic coaches, includes STEM lessons that use hands-on activities focused on fun, real world experiences. Though hands-on activities and STEM challenges, children will think, construct, experiment, discover and develop the desire to learn lots more! Every week, they'll learn something new and explore a different kind of fun!

Early Learn To Read Program: Reading Rascals

Make reading fun and easy by developing your child's comprehension and phonics skills. Available in three levels designed for teaching first-time readers, as well as accelerating beginner readers to an intermediate level. Ages: 4-8
